DESCRIPTION

Invito a presentare manifestazioni di interesse per la selezione di un gruppo di esperti per le attività di valutazione dei programmi Intelligent Energy-Europe, Eco-Innovation e Marco Polo.

I termini per la presentazione delle candidature sono stati chiusi il 1° ottobre 2013.

L'Agenzia esecutiva per la competitività e l'innovazione (EACI) cerca un gruppo di esperti con competenze nei tre programmi europei Intelligent Energy-Europe, Eco-Innovation e Marco Polo.

I candidati dovranno essere in possesso di un diploma universitario, avere un'esperienza professionale di almeno cinque anni nei settori di applicazione dei programmi europei, avere una conoscenza appropriata dell'inglese.

Gli esperti selezionati saranno impegnati nella valutazione delle proposte presentate nell'ambito degli inviti a presentare proposte (calls), dei progetti in corso e dei programmi stessi.

Candidates who are interested in having their names entered in these lists of experts are invited to submit their application in accordance with the rules set out below. The experts will assist the EACI in the following activities:

Evaluation of proposals in response to calls for proposals in line with the various aims of the above-mentioned programmes and policies as well as the criteria published for specific calls for proposals and related information packages.

Evaluation of finished or ongoing activities or projects under the above-mentioned programmes.
